

Your event has been entered into the calendar, but nothing is firm until a contract has been signed by you and the City. A contract and a letter detailing the rental charges, and any requirements will be mailed to you shortly. Once the City receives all the documents and payments and approves any additional applications, I will sign off on the contract and you will receive a signed copy of the contract for your records.

If you have any questions please call us weekdays 8:30 a.m. to 4:30 p.m. (except holidays) at (541) 547-3565. The City contracts with the Friends of the Yachats Commons for user support. The User Support Manager is available if you need additional assistance coordinating your event and may be reached at (541) 961-6597.

We look forward to having you and your guests here at the Commons and hope you all enjoy your stay in Yachats.

Sincerely,

City of Yachats
